

## Staff Nurse –Emergency Department

**University Health System** is the first and only health system in San Antonio and South Texas to earn Magnet® status from the American Nurses Credentialing Center (ANCC). As the primary teaching hospital for [The University of Texas Health Science Center at San Antonio](#), [University Hospital](#) is a regional [Level I Trauma Center](#) and a leader in [Organ Transplantation](#).

*The core mission* of University Health System is to provide care to those most in need, particularly the residents of Bexar County.

The Emergency Department “ED” at University Hospital is proud of its role as the only civilian Level I Trauma Center in San Antonio serving over 22 counties in South/Central Texas. The ED is the largest civilian ED in San Antonio, made up of 80 beds in a 100,000sq. ft. facility including a 25,000sqft state of the art trauma area. The entire care team is known for their Team work, specialized training and expert care when it is needed the most. There is no better relationship in nursing than that of an ED Nurse working with an ED provider. Teamwork is essential for quality patient care and safety.

We are actively searching for talented RN’s seeking to work the night shift (7 p.m. -7 a.m.). We welcome you to join our team and mission.

### **Perks:**

- Preceptor program for nurses
- Learning environment
- Flexible schedules for employees
